

GETTING TO KNOW... XI'AN IN CHINA, ASIA

FUNKY FACTS!

1. The terracotta army discovered in China has about 10,000 life-sized soldiers, all made out of clay
2. The clay soldiers were put there over 2,000 years ago in the burial site of China's first emperor Qin Shi Huang
3. When the soldiers were first discovered, they were broken and had to be carefully put back together. So far, over 1,000 have been restored

REBUILD YOUR OWN WARRIOR!
With help from an adult, colour, cut-out and glue this ancient soldier back together

SPOT THE (SELFIE) DIFFERENCE
Can you spot all seven differences between the two pictures?

1. The windows on the back wall are gone 2. Lars is missing a Star from his uniform 3. Xuli isn't smiling any more 4. Xuli is missing a wing from her uniform 5. The stripe on Faz's uniform has changed colour 6. Faz is missing his eyebrows 7. Kyan is missing his top row of teeth
